EARLY SNOW DOES BUT SLIGHT DAMAGE TO FRUIT TREES

Ontario was covered with a mantle of white Tuesday. The snow started falling during the morning and continued until evening. A total of nearly five inches fell during the storm and lay heavy on the trees until Wednesday afternoon. Some few apple trees still bearing fruit in surrounding orchards broke under the weight of apples and snow, otherwise no damage was done. Stockmen of this section and dry land farmers rejoiced over the snow fall, but Ontario's streets were transformed into seas of mud. Paving enthusiasts grew apace during the past two days.

NAMPA WINS IN LAST TWO MINUTES OF PLAY

(Continued From Page 1)

but two minutes left to play the Nampa boys uncovered a double pass and a forward pass for small gains and then McKee skirted the Ontario's left end for ten yards and a touch-down.

A desperate try to retrieve the honors failed and the game ended with the ball in Nampa's possession in the middle of the field.

Madden at left half was Ontario's star. Time and again he kicked with Nampa forwards charging at him. He carried the ball well in attack and was a tower of strength on defense. From tackle to tackle the local boys out plawed and out weighed the visitors, and held stubbornly every attack. Ontario's ends however were given a severe grueling. When Nampa found the line would not budge its attack was centered against the ends. Weaver playing end for the first time was of course handicapped but fought hard as did Vernon Butler at the other flank.

In the fourth quarter Casey of Nampa attacked Cody Butler and struck him. Butler endeavored to avoid the attack but the scrapping Irishman from the railroad town persisted until Referee L. L. Culbertson put them both out of the game. This weakened the local team more than it did Nampa for Butler had solved the Nampa forward passing game and had repeatedly broken these plays up. Overstreet who went to the back field was unacquainted with the signals.

Despite the fact that the local team lost the crowd was satisfied that it had seen the best football game played here in years. In justice to the Nampa team it must be admitted that it carried the more powerful attack of the two teams and that the score was a fair indication of the relative strength of the two aggregations.

This week the locals will play the Nysaa High School team which gave them such a battle a few weeks ago in practice. Nysaa has defeated Vale twice but has lost to Payette, which in turn fell before Boucher's crew.

The following was the lineup of the teams in the game last Friday:

NYSSA MAN BURIED HERE.

Leonard Sylvester Sandy, the second son of W. H. Sandy, of Nysaa, Oregon, was born in 1887 in Pottawattamie county, Iowa, and was killed suddenly by the turning over of a heavy automobile truck which he was driving out of Boise on the Mountain Home road last Friday evening about 5 o'clock. The deceased came to this country about 14 years ago and has lived in this section of the country ever since. Those who mourn his death in addition to his father are three brothers, William, Oliver and Ernest, and one sister, Erma. Funeral services were held at the Methodist church Tuesday afternoon.
